**REQUEST FOR WITHDRAWAL (DISMISSAL) OF A
PETITION FOR RULE MAKING**

In the above captioned Docket (DA 93-1348), Solar Broadcasting, Inc. ("Solar") has petitioned the Commission to delete channel 291C1 at Alexander City, Alabama and allot the same channel (291C1) to West Point, Georgia. Solar also requested that the license of WSTH be modified to reflect this change. The Comment date for the Docket is January 31, 1993. Therefore, this document is timely filed.

Due to logistical and other new circumstances, Solar has decided not to peruse the rule making, and instead request channel 291C1 remain licensed to Alexander City without any modification to the license of WSTH.

Therefore, Solar request the Allocations Branch dismiss the above captioned rule making.

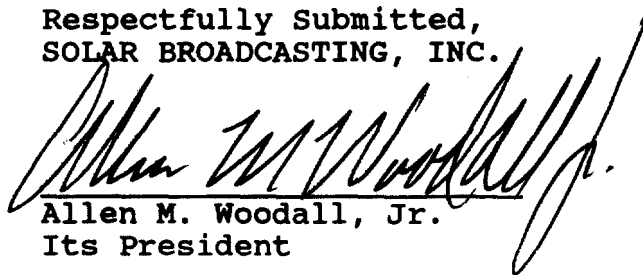

CERTIFICATION OF EXPENSES

Solar hereby certifies that it has received no compensation for this request to dismiss the pending petition. Furthermore Solar has not been offered nor sought any reimbursement of expenses related to the proposed deletion of channel 291C1 at Alexander City and its subsequent allocation at West Point. All expenses related to the initial Petition for Rule Making and the new Request for Withdrawal (dismissal) have been paid by Solar.

CERTIFICATION

Woodall, Jr., President of Solar Broadcasting Company, Inc., and Petitioner for a change in the city of license of WSTH(FM), Alexander City, Alabama, do hereby verify that the statements contained in this Request for Withdrawal (dismissal) of pending MM Docket 93-294 are true and correct to the best of my knowledge and belief.
